### FACTS Tuition Management Program

The FACTS program allows families to spread their tuition cost out evenly over the year, without having to pay the entire tuition up front. FACTS will debit the checking or savings account of your choice, or use a credit card, on the specified day of the month in the amount of your monthly tuition.

- The correct tuition amount will be inputted to your FACTS account by St. Mark Catholic School
- For families choosing to go on the FACTS tuition management program there will be a one-time charge from FACTS of \$43. This amount will be withdrawn from the checking or savings account that you specify on the *Automatic Tuition Payment Agreement* within a few days of completing the online registration.
  - If you already have a FACTS tuition management account, you will use the same account
  - All new families using FACTS for the first time must register online at: <https://online.factsmgt.com/signin/3GKGGK>
  - All FACTS online applications must contain the correct bank account information
- Families who do not choose to utilize the FACTS program need to prepay for the entire school year according to the chart above prior to June 1, 2017. Full payments can be made in the school office.
- If you have any questions, please call Mr. Albertson at the school office at (317) 786-4013 or email him at [ralbertson@stmarkindy.org](mailto:ralbertson@stmarkindy.org).
