Become a 21st Century Scholar

Indiana wants every student to be able to afford college. The state's 21st Century Scholars program helps income-eligible students earn up to four years of tuition at an Indiana public or private college. To qualify for the scholarship, students must enroll in the program in 7th or 8th grade.

First you must apply! Students and their parents must complete the online application before June 30th of the student's 8th grade year to be considered for the program. Apply today at www.Scholars.IN.gov

Please email Mrs. Grimes cgrimes@stmarkindy.org if you have any questions or are interested in learning more about the 21st Century Scholar Program.
