Miss Kahn's Behavior Station

Hello! Throughout this document you will find the images/explanation for the behavior management system in Room 21. Each of these images are posted on a bulletin board, along with each student's name. Some things to make note of:

- This system is only in relation to <u>negative</u> behaviors or behaviors that break our classroom rules/expectations.

- Specific class rules will be written as a <u>whole</u> within the first days of school and signed by each student.

- All students are expected to follow St. Mark's Catholic School rules, as well.

- For positive behaviors, we have a point jar system that highlights positive actions and attitudes.

Please reach out with any questions at all,
Miss Kahn
