Dear Friend of St. Mark and Catholic Education,

Wonderful things are happening at St. Mark Catholic School! Even in the pandemic world, over 460 students fill our classrooms, hallways, and church. St. Mark Catholic School continues to be one of the fastest-growing schools in the Archdiocese of Indianapolis.

The students are achieving outstanding academic success and, most importantly, growing in their Catholic faith. In the not-so-distant future, our students will be the leaders who will attend mass, serve their Church, and work to bring Jesus Christ to the next generation of Catholics.

We know it takes financial resources to make this life-changing educational experience available to this growing number of families and students. We believe we should make every effort possible to make this remarkable school experience available to as many of our families as we can.

We ask that you consider partnering with us to ensure all of our St. Mark families can send their child to our school. The Indiana Tax Credit Scholarship program was created in 2009 as a way to give families who meet income guidelines an opportunity to send their child to a school like St. Mark Catholic. Through the generosity of people like you, private donations are given as scholarships so students may attend a parochial school that may not have been an option for them otherwise.

In addition to supporting St. Mark Catholic School students, **YOU WILL RECEIVE A STATE TAX CREDIT of 50% of the donation amount.** Donations also qualify as a charitable deduction on federal tax returns.

We have enclosed information on the SGO opportunity and the form used to make the contribution. Please contact St. Mark Catholic School Principal, Rusty Albertson, if you have any questions: [ralbertson@stmarkindy.org](mailto:ralbertson@stmarkindy.org)

God Bless You and thank you for your consideration and support!

Fr. Tim
